~~CONFIDENTIAL~~

DATE DISTR. 5 Dec. 1950

SUBJECT 1. Railroad Repair, Canton
2. People's Blood Bank, Kwangtung

NO. OF PAGES 1

THIS IS UNEVALUATED INFORMATION

25X1

- 25X1 1. [redacted] Communist authorities in Canton recruited approximately 5,000 unemployed workers to repair railroad stations in Canton and lay double tracks on the line between Huangsha (黄沙) station and the Canton-Champoia railroad. The Huangsha station is to be used for freight only, and the Tashat'ou station, Canton, for passenger service only.
2. Communist military authorities in Canton have ordered the formation of a people's blood bank throughout Kwangtung. Blood from civilians will be collected for the army.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1973 from the Director of Central Intelligence to the Archivist of the United States.
